ADVANCE REGISTRATION

SCHEDULE OF COURSES

1977
SPRING SEMESTER

HARBOR CAMPUS
UNIVERSITY OF MASSACHUSETTS
AT BOSTON

INSTRUCTIONS

The period from Monday, November 22 through Friday, December 3 has been set aside for ADVANCE REGISTRATION.

Please read the following instructions carefully and note that the instructions are divided into five sections:

1. Format of Schedule Book
2. Contents of Advance Registration Packet
3. Miscellaneous Information
4. Filling out Advance Registration Cards
5. College of Community and Public Service Instructions

FORMAT OF SCHEDULE BOOK

1. Course selections must be made from this schedule and the addendum list. Please do not select courses from this book without checking the addendum as changes have been made.

2. Alternate Advised -- Some choices are listed with the notation "Alternate Choice Advised". This is used for courses which in the past have been consistently over-enrolled. This does not mean you cannot request one of these courses, only that you would be well advised to make it request #3,4,7, or 8 on your advance registration cards so you may utilize the alternative choice option. (See sample 2 on page four). It would also be helpful to use the four alternative choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses.

3. Building Notation -- 1 = 010 Building
   2 = 020 Building
   8 = Science Building
   9 = Library
   PS = Park Square

4. Time Notation -- 18:45 = 6:45 p.m.
   19:00 = 7:00 p.m.
   20:15 = 8:15 p.m.

CONTENTS OF ADVANCE REGISTRATION PACKET

1. Advance Registration Cards with Alternate Course Requests -- Each student is given 2 cards on which to advance register so he may have the option of utilizing up to 4 alternate choice requests. Alternates may be used only with course choices number 3,4,7, and 8 in the spaces indicated on the cards. An alternate will be considered for scheduling only when all sections of the original choice cannot be scheduled. For example: Alternate 3 will be considered only if course request 3 cannot be scheduled. Similarly, Alternate 4 will be considered only if course request 4 cannot be scheduled. Alternates are not transferable from one choice to another. ALTERNATES MUST BE A DIFFERENT COURSE--NOT A DIFFERENT SECTION OF THE SAME COURSE

RETURN CARDS TO THE PROPER OFFICE BY DECEMBER 3

CLA STUDENTS RETURN CARDS TO THE REGISTRAR'S OFFICE
CPCS STUDENTS RETURN CARDS TO THE OFFICE OF ACADEMIC AFFAIRS RM. 1222
CPS STUDENTS RETURN CARDS TO YOUR ACADEMIC ADVISOR

2. Free Time Request Form -- Optical Scan forms are again being used this semester so that students may indicate particular hours during which they do NOT wish classes to be schedule. The markings on Op Scan forms are read by machine. This means that they must be completed carefully -- no erasures, no stray marks, no folds, etc. -- to insure that the information can be interpreted. It is essential that a No. 2 lead pencil be used to fill in the slots corresponding to the times and days of the week during which you DO NOT WANT CLASSES SCHEDULED. Please try to use extra care with these forms.

Use of these forms may limit your chances of obtaining a full schedule. They do not enhance your chances of receiving the section that you request. They do, however, limit your ability to obtain a course because you will not be assigned to sections that meet at hours you have exempted yourself from.

MISCELLANEOUS INFORMATION

1. All Advance Registration cards are processed at the same time. You have time between November 22 and December 3 to consult with your advisor and to fill in your cards carefully. There is no advantage to getting your cards in early; just be sure to return them to the Proper Office.

All students are urged to advance register and to pay on time as there will be no formal registration day.

4. Special Registration Day - January 21, 1977

5. CPS will not hold a Special Registration Day on January 21. Students who wish to take a course to which they were not assigned should attend the first scheduled meeting of that course and speak with the professor.

6. First Day of Classes - January 24, 1977

7. Seniors and Juniors may take five courses or fifteen credits, sophomores and freshmen four or 16 credits. A course load of three courses (minimum of 3 credits each) or twelve credits is considered full time. A student with a cumulative grade average of 3.0 or a 3.5 average from the previous semester may take an extra course with the permission of his advisor.

8. The Hebrew College Exchange Program will again be offered for the Spring semester. Credit for all courses will be accepted at UMB toward graduation. For further information contact Ellen Engelson in the Registrar's Office.

9. CPS Courses are listed under Management (MGT) on pages 38-41 of this booklet. Please check the prerequisites listed on 38-41 for restrictions that may apply to a course you are interested in.

10. There will be no Special Registration Day at CPCS on January 21,1977

11. Students from CLA or CPS at Harbor Campus who want complete information on CPCS course offerings for Spring semester, should get course booklets from CPCS Office of Academic Affairs, RM. 1222, 100 Arlington Street. Telephone Number 542-6500 extension 242, 243

IMPORTANT

12. Any student who wishes to become a part time student must file a change of status form available in the Registrar's Office by December 17.

Part time students are limited to a maximum of 2 courses per semester.

FILL OUT ADVANCE REGISTRATION CARDS

1. Be sure that all numbers are written clearly and neatly and double check that entries are accurate. If a number is incorrect or illegible, the entire transaction will be invalidated.

2. Use the 6-digit schedule number assigned to the specific section at the specific time you wish to take the course (see example 3 below)

3. When advance registering for a course with 2 or more parts (lect, lab, disc), be sure to include all parts or you will arbitrarily be assigned the missing portions. (see example 1 below)

4. After discussing your schedule with your advisor, have him/her sign the Advance Registration Card. All cards should be signed by an advisor and returned to the Proper Office.

3. Keep your appointment with special advising staff member on Nov. 29 or Nov. 30. It is of critical importance to prepare for this meeting by reviewing and revising your Learning Plan. Formulate a tentative Spring Semester Program or a set of specific questions BEFORE this meeting so that you can make good use of the special advisor.

   At this appointment, you may complete your registration for the Spring Semester by filling out your Learning Plan Summary and Registration Cards; or, you may need additional information and advice, for which time is available until Dec. 3.

   If you don't complete registration at this meeting, schedule a 15-minute followup meeting with the same special advisor for a time during the College-Wide Advising Period, Dec. 2 or Dec. 3. At the second meeting, you should complete your registration.

   Also, during this appointment you will fill out an Advisor Preference Sheet, and will be assigned a permanent advisor in December.

4. If you did not complete registration at the special advising meeting on Nov. 29-Nov. 30, you may seek additional information and advice from Certificate Advisors, instructors, etc. On Dec. 2 or Dec. 3, the College-Wide Advising Days, you should return to the special advisor you met on November 29-30, to complete registration and obtain the Advisor's signature as described in #3 above. 5. THE DEADLINE FOR SPRING SEMESTER REGISTRATION IS FRIDAY, DEC. 3. While all cards must be in by that date, you should take all the time you need before that date to be sure your Spring program is well-planned. No processing of registration cards will begin until after Dec. 3.

ADDITIONAL INFORMATION FOR ALL STUDENTS

1. Billing: In December, all students will be billed for the Spring Semester. Bills must be paid or cleared with the Bursars Office by Dec. 17. If your bill is not paid by Dec. 17, the Registrar's Office will cancel your registration for the Spring Semester. Please contact the Associate Dean for Student Affairs, Carmen Dillon, before Dec. 17 if you have any questions or problems concerning bill payment for the Spring Semester.

2. Add/Drop Period: There will be an add/drop period during the first week of the Spring Semester (Jan. 24-28) during which you may make changes in your program. It is very important, however, that you be as accurate as possible in the Registration due Dec. 3.

3. Directed Study: You should use the title "Directed Study" to register for any learning or competency demonstration projects which are not part of regular course offerings, such as independent studies, field-based projects, Independent Interest projects, etc. The College wishes to encourage learning that takes place outside the classroom as well as inside, and Directed Study will be the formal mechanism for registering such learning.

To register for Directed Study, you must find a Faculty member who is willing to direct or sponsor a specific project you propose. Register for study as follows: Directed Study: (name of competency to be gained). A faculty signature must accompany each Directed Study Registration. The faculty member will provide a schedule number when giving approval signature. It is also important for you to understand that faculty resources at College III are limited, and that Directed (or individualized) Study is the most costly form of instruction in terms of faculty time. Thus, for various reasons, faculty members may not be able to accept all Directed Study projects that are proposed. Directed Study does provide, however, a real alternative to course work. Your registration may consist of a mix of courses and directed studies, all courses, or all directed studies.

4. IMPORTANCE OF REGISTERING FOR THE SPRING SEMESTER:

All CPCS students MUST register for the Spring Semester during this two-week period. The Registration Period gives each student the chance to plan an individualized program for the Spring Semester, to seek advice from faculty advisors and certificate advisors, and to secure places in courses with enrollment limitations. It also provides the College with information that we must have to make important decisions for next semester in the following areas:

1. Admission of New Students: By registering, you indicate your intention to continue next semester and guarantee yourself a place in the College. Applications to College III have increased sharply, putting each student place at a premium.

We must know how many current students will return to make an intelligent decision concerning the admission of new students. Failure to register will be interpreted as a request for withdrawal from the College.

2. Instructional Program: The University Policy on class size requires a minimum enrollment of 10 students in each course. Registration in courses gives us information as to which courses may be over-enrolled or under-enrolled and subject to cancellation. While each student is free to make changes in his/her program during the add/drop period, the College must make important decisions about adding or cancelling courses on the basis of enrollment that result from Registration. It is, therefore, important that you provide us with the best indication of your intentions for the Spring Semester.

The following is a list of Extended Day Courses. If you wish to register for any of them, consult the department listing for the schedule number.
